

Dear Families and Students,

As you are aware, ASRC is once again participating in The Polar **PLUNGE**. This will be our seventh year taking part in the plunge and we look forward to making it a very successful and fun fundraiser for our school.

Our goal is to raise \$10,000 this year. A significant portion of the proceeds from this year's Polar Plunge will be designated to improving multiple areas within the school.

We are excited to be selling short sleeve t-shirts, long sleeve t-shirts and hooded sweatshirts to promote this exciting event. Both the sweatshirts and t-shirts will have artwork designed by one of our students on the front and the name of our school with sponsors on the back. We encourage you to support our ASRC plunge team by asking family and friends to buy a t-shirt or sweatshirt.

All orders are due no later than, Friday, January 11, 2019.
